GDYNIA, ORŁOWO, BERNADOWSKA

Three-room apartment 900 m from the sea

Three Room Apartment Open Bathing Salon 900 m from the Sea

Location

The Rivus Investment is real enclave of four 2-story apartment buildings located exactly halfway between the pier in Orłowo and the pier in Sopot. The low, intimate buildings perfectly match with the greenery and the silence of the surrounding forest..

Rivus is the perfect combination of active city life and closeness of nature.

Information About The Property

The offered property is an interesting architectural project. A walk through it is a real, intercontinental journey. The combination of wood and stone accents connected with perfect play of light, makes us feel absolutely special when we are staying in this place.

The apartment is comprised of the following rooms and interiors layout:

- Living room with kitchen annexe and dining area with access to the terrace arranged with green architecture.
- Master Bedroom connected with a bathing salon and wardrobe.
- Second Bedroom with bathroom and access to the terrace.
- Hallway and Laundry room which can be converted to other bathroom.

The apartment has a two parking lots in an underground parking garage and a locus which are included in the price. Additionally, air condition and stylish blinds are installed in the property.

The residents of the investment can use a fitness complex with exercise rooms, a club room and 2 saunas.

There is also a playground for children in a quiet part of the estate.

The Rivus complex is 24-hour secured and monitored place.

Standard

The apartment is arranged in a luxurious way with the usage of the highest quality materials. Modern and fully utilitarian interior designer arrangements will undoubtedly satisfy even the most demanding clients.

The kitchen equipment includes SMEG and Bosch appliances. The bathrooms were fitted with Kludi fittings, a free-standing Vigour bathtub made of mineral cast, and sinks made of river stone, set on old spruce trees.

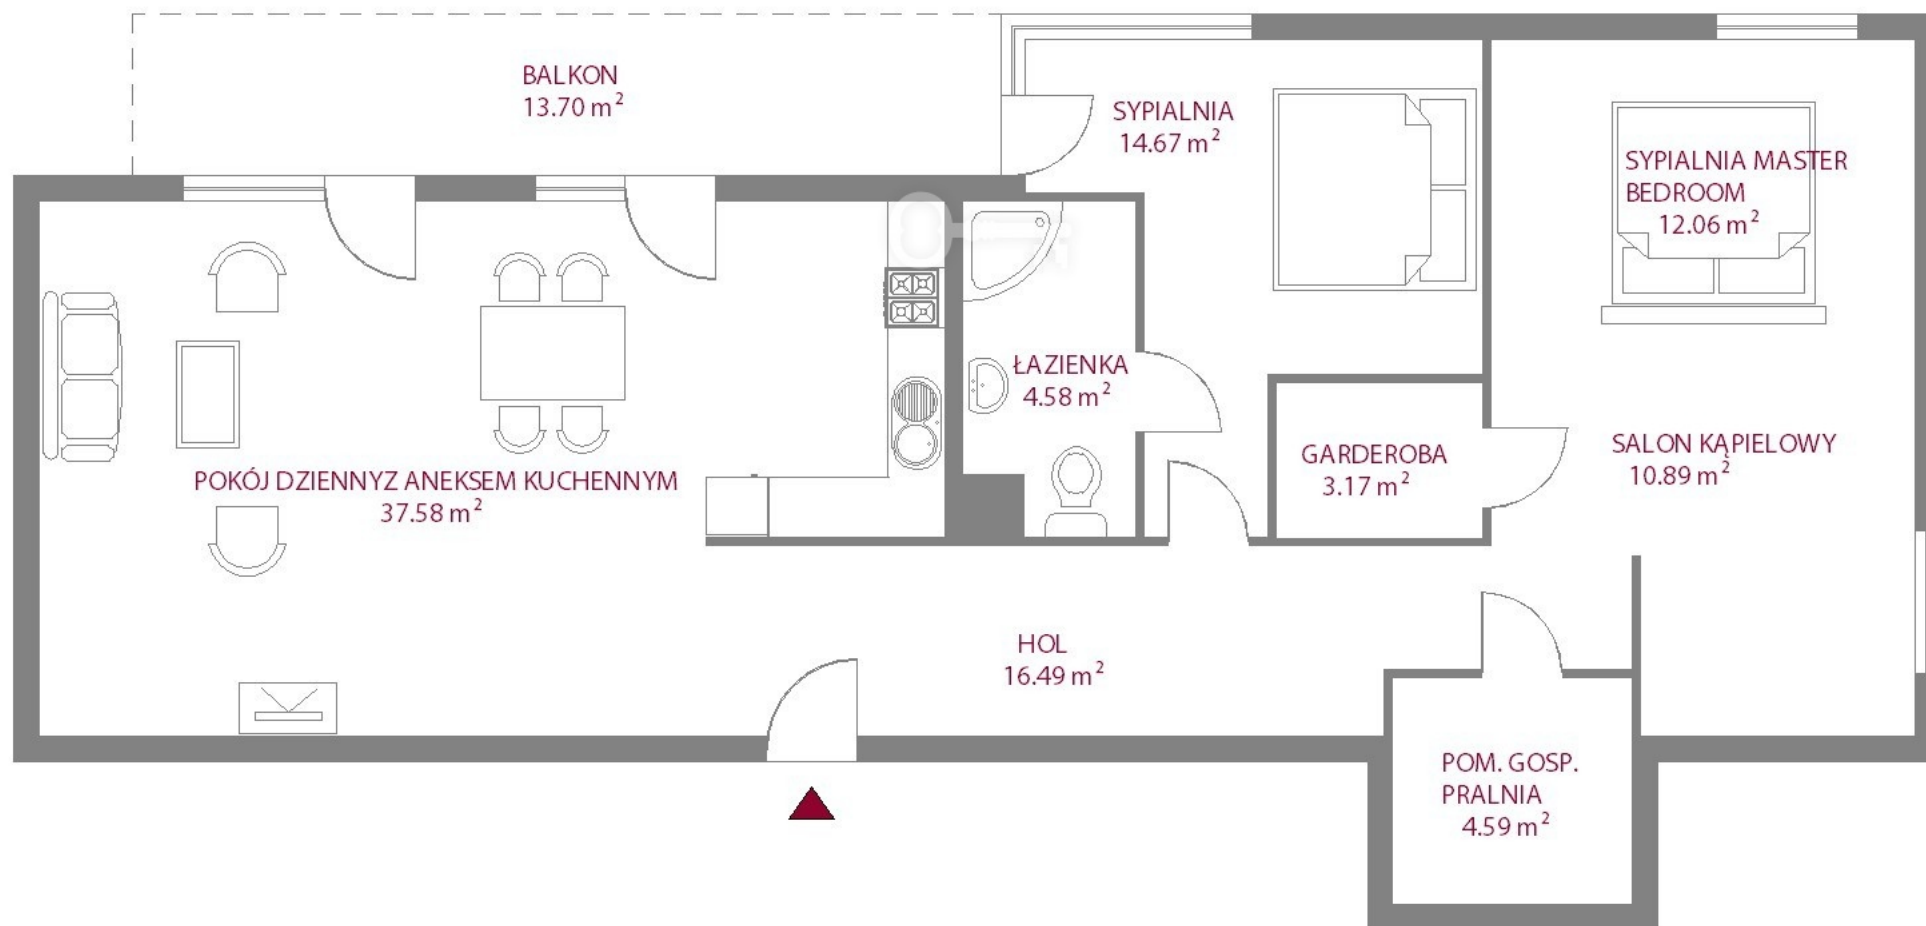

The floors are decorated with Skalski boards from the Kahrs Oak Chateau collection. The Muenkel steam fireplace creates an amazing atmosphere in the living room, which in combination with a dedicated backlight gives the effect of an optical 3D fire. The apartment has air conditioning and stylish aluminum blinds, installed in all windows.

All furniture with accessories is a very skilful combination of styles from different continents, creating – along with the high quality of individual devices – an amazing end result.

If you think that the real estate market and the imagination of interior architects and owners cannot surprise you – then you to have to see this unique place.

I invite you to the Presentation.
