LOCATION

Bliska Wola, near the border of Śródmieście, is the most dynamically developing area of the capital. The area is getting more beautiful every year, and the futuristic glass and steel skyscrapers enrich the Warsaw skyline. It is full of restaurants, cafes, shops, and services. It is also a great place to invest. In the coming years, a number of jobs will be created in Wola, comparable only to the famous office area in Służewiec. With the difference, however, that thanks to the construction of the metro and numerous thoroughfares full of bus and tram lines, it is one of the best-connected areas of the city.
